Building upon the strong theoretical foundation established in the introductory sections of *Io Sono Piccola*, the authors delve deeper into the empirical approach that underpins their study. This phase of the paper is defined by a deliberate effort to match appropriate methods to key hypotheses. Through the selection of qualitative interviews, *Io Sono Piccola* highlights a purpose-driven approach to capturing the dynamics of the phenomena under investigation. In addition, *Io Sono Piccola* specifies not only the research instruments used, but also the logical justification behind each methodological choice. This methodological openness allows the reader to understand the integrity of the research design and acknowledge the credibility of the findings. For instance, the participant recruitment model employed in *Io Sono Piccola* is carefully articulated to reflect a representative cross-section of the target population, addressing common issues such as selection bias. When handling the collected data, the authors of *Io Sono Piccola* utilize a combination of computational analysis and descriptive analytics, depending on the nature of the data. This multidimensional analytical approach successfully generates a more complete picture of the findings, but also enhances the paper's main hypotheses. The attention to detail in preprocessing data further underscores the paper's rigorous standards, which contributes significantly to its overall academic merit. A critical strength of this methodological component lies in its seamless integration of conceptual ideas and real-world data. *Io Sono Piccola* does not merely describe procedures and instead uses its methods to strengthen interpretive logic. The outcome is an intellectually unified narrative where data is not only reported, but interpreted through theoretical lenses. As such, the methodology section of *Io Sono Piccola* serves as a key argumentative pillar, laying the groundwork for the discussion of empirical results.
